Nelaton Catheter Starter Kits and Refill

The Nelaton Catheter Starter Kit is an 'all-in-one' intermittent catheterisation pack designed to assist catheter users while travelling or away from home.

It has been specifically created, with catheter users in mind, to support a hygienic procedure and to allow users to enjoy an active and flexible life.

- Discreet travel pouch
- 1x wet wipe (0.9% NaCL)
- 1x dry hand wipe
- 1x waste bag
- 1x sachet hand cleansing gel
