m|devices™

We believe in effortless performance, so you can focus on caregiving.

One size never fits all. For over a decade we've been designing and manufacturing devices that simplify the roles of clinicians and carers – not just cut to a standard specification but tailored to the unique needs of Australians.

Our focus is on making performance effortless, leaving you free to focus on what matters most – caring for patients.

Skin Marking Pens

Our fast drying, bleed free, single use marker pens are designed to deliver reliable accurate, non-toxic pre-operative marking to facilitate correct site surgery.

- ⊗ Regular tip (1.0mm) and fine tip (0.5mm) options
- ⊗ Scrub resistant
- ⊗ Sterile and non-sterile versions
- ⊗ Non-toxic
- ⊗ Fast drying
- ⊗ With 15cm ruler
