

Yankauer Suction Handles

Our Yankauer Suction Handles are available with straight and crown tips and with and without vents and an on/off switch. Each comes with a step connector end to ensure a firm connection to any standard suction tubing. They are also available as standard and double wrapped versions.

- ⊗ Smooth and clean edges for atraumatic suctioning
- ⊗ Stepped connectors
- ⊗ Vented and unvented options
- ⊗ Straight and crown tip options
- ⊗ Double wrapped options
- ⊗ Transparent
- ⊗ Paediatric and adult versions
