

Hydrophilic Nelaton Catheter with Water Sachet - Coude Tip

Our Hydrophilic Nelaton Catheter with Water Sachet- Coude Tip, is an 'all-in-one' product that is convenient and easy to use.

The angled tip makes it easy to navigate the urethra and supports a difficult insertion.

- ⊗ Supports a difficult insertion
- ⊗ No-touch sleeve
- ⊗ Easy peel packaging with wall attachment
- ⊗ Hydrophilic coating supports lubricant free insertion
- ⊗ Heat polished distal end aids insertion

Hydrophilic Coated Nelaton Catheter with Water Sachet - Coude Tip
